6. US 15-501 Corridor Study (15 minutes)[19-144](#)**Andy Henry, LPA staff****Leta Huntsinger, WSP (consultant)**

At the May 8, 2019, DCHC MPO Board Meeting, the MPO Board passed a motion to endorse 'Option B,' which was to expand the schedule and funding for the 15-501 Corridor Study in order to address the impacts of the discontinuation of the Durham-Orange Light Rail Transit (D-O LRT) project. The amount of additional time and budget had not yet been determined at the time of the meeting. Also during the MPO Board Meeting, there was discussion about how projects along that corridor, especially those related to Bus Rapid Transit (BRT), would be impacted as they are submitted through Strategic Planning Office of Transportation (SPOT) 6.0.

An update will be provided at the meeting.

TC Action: Discuss and take appropriate action.

8. Amendment to the Orange County Transit Plan (5 mins) [19-161](#)**Meg Scully, LPA Staff****Aaron Cain, LPA Staff**

The 2017 Orange County Transit Plan allocates \$6.1 million to the Chapel Hill North-South Bus Rapid Transit (NSBRT) Project. Chapel Hill Transit has requested an additional \$8 million in dedicated transit revenue be allocated to the project through an amendment to the 2017 Plan. This amendment is intended to provide the Town of Chapel Hill with evidence that fifty percent of the non-federal match is dedicated to the project through the Transit Plan. The DCHC MPO Board is one of three parties to the Orange County Transit Plan. The other two, including the Boards of the Orange County Commissioners and of GoTriangle, have already approved the amendment.

TC Action: Recommend the Board approve and sign the amendment to the Orange County Transit Plan.
