Status Report on Locally Administered Projects (LAP)

Colleen McGue, DCHC MPO Planning Manager

Colleen.McGue@dchcmpo.org

What are Locally Administered Projects (LAP)?

- LAP projects are administered by DCHC MPO member jurisdictions
- DCHC MPO LAP Projects are almost exclusively bicycle, pedestrian, and transit
- Funded using federal funding sources and typically have a 20 percent minimum non-federal match
- NCDOT staff advise, approve, and oversee the expenditure of LAP project funds

- In November 2021 the DCHC MPO Board adopted the MPO's Federal Funding Policy (updated Fall 2023)
- Policy states that recipients will provide a brief report on the status of their locally administered projects (LAP) twice a year
- In addition to LAP projects funded through the MPO's Regional Flexible Funding (RFF), this report includes LAP projects funded through the STI / SPOT process
- Please provide feedback on how this report can be modified to be most useful
